Rilaxa

Scandinavian design
trendy and comfortable

100% rubber wood veneer in all its moulded components. The hardness of the wood makes it extremely durable, and the timber we use is a renewable resource and FSC certified. Rubber wood is a natural material and variations in its pattern, colour and texture make each piece of furniture unique.

You can personalise your Rilaxa from the 5 different wood colours: Natural, Oak, Smoke, Walnut and Dark Mahogany.

To top it all off, we offers a wide selection of beautiful leather and fabric colours to choose from. We aim to provide you with a multitude of variations so you have the opportunities for personalisation. We offer colour scales ranging from extremely light to sophisticated smokey pastels, deep subdued earthy colours offer calm and comfort and tend to match most homes which has become a key trend. Our large collection provides you with plenty of choices allowing you to experiment with the many exciting combinations on offer. Be inspired to mix and match some of your own colour combinations.

Ergonomic Of Personal Support & Comfort

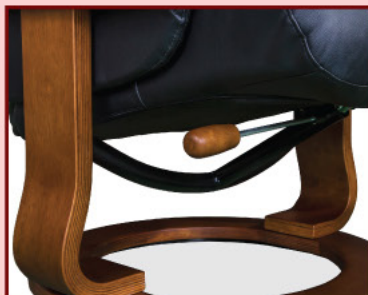

1. Adjustable headrest for maximum support.
2. Upholstered with the finest genuine leather.
3. Lumbar & sitting support.
4. Elbow & palm support.
5. Moulded seat foam for a luxury comfort.

6. Galvanised metal for a longer lasting mechanism.
7. Bent rubberwood base to provides stability & durability.
8. Swivel actions lets you easily turn 360 degree.
9. Ottoman which can be used as a stool as well.

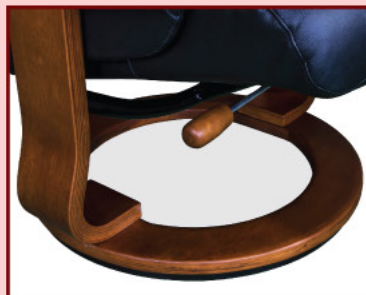

Highlight

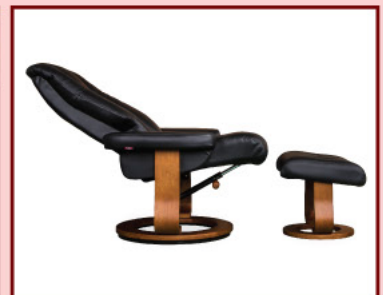

Adjustable headrest, moulded foam seat & finest genuine leather for maximum comfort

Resistance control knob to guarantee you a smooth gliding action

Round wooden base comes with different colours of choice

Sloped ottoman cushion for improve ergonomics

POWER PLUS SYSTEM

The Power Plus system permits automatic adjustment of the support to your neck and lumbar region, allowing you to read or watch TV in comfort.

The Power Plus system offers full adjustability for ultimate head and neck comfort, our headrest can be tilted forward to 120° and suitable for any body sizes.

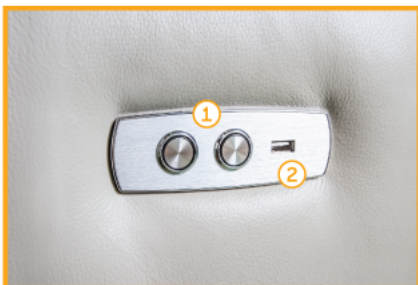

Not forgetting the Power Lumbar support, you can adjust your desire comfort with a push of a button to act as an extra bolster for your lower back.

With our new control panel, it comes with an easy access toggle switch with a built in USB charging port for convenient access for your phone, tablets and other compatible devices . The new control also comes with a home button which offers a one touch return to close position.

Our Power Plus system is available on a variety of recliner, loveseat, sofa or modular. We also customise lift chair to come in single or dual motor, available with selected models.

Design for comfort. Made to last.

3 Types Of Controller

1. Power recline control
